

## In Person / Live Virtual Online / Online On-Demand *english - en français - en español*

### Infrared Thermography - In Person

#### Level 1 - Thermographic Applications

January 22-26 — Baton Rouge, LA  
 February 5-9 — Omaha, NE  
 February 12-16 — Jacksonville, FL  
 March 11-15 — San Diego, CA  
 March 18-22 — Dallas, TX  
 March 25-29 — Kansas City  
 April 8-12 — Toronto, ON  
 April 15-19 — Chicago, IL  
 April 22-25 — Upper Marlboro, MD •  
 April 29 - May 3 — Knoxville, TN •  
 May 6-10 — Cincinnati, OH  
 May 27-31 — Calgary, AB  
 June 3-6 — Lima, OH •  
 June 3-7 — Ann Arbor, MI  
 June 10-14 — Denver, CO  
 June 17-21 — Charlotte, NC  
 July 15-19 — Minneapolis, MN  
 July 29 - Aug 2 — Pittsburgh, PA  
 August 19-23 — Atlanta, GA  
 August 26-30 — Vancouver, BC  
 September 9-13 — Toronto, ON  
 September 23-27 — San Jose, CA  
 September 23-27 — Dartmouth, NS  
 October 7-10 — Lancaster, PA •  
 October 7-11 — Louisville, KY •  
 October 7-11 — Seattle, WA  
 October 14-18 — Atlanta, GA  
 October 21-25 — Houston, TX  
 December 9-13 — Charleston, SC

#### Level 2 - Advanced Infrared Thermography\*

April 8-12 — Atlanta, GA  
 May 13-17 — Seattle, WA  
 September 23-27 — Orono, ME  
 October 7-11 — Dartmouth, NS  
 October 28 - Nov 1 — Indianapolis, IN  
 November 4-8 — Toronto, ON  
 November 11-15 — Houston, TX

#### Level 3 - Best Practices\*\*

May 6-10 — Overland Park, KS

#### Live Virtual Online Level 1

January 8-12  
 February 5-9  
 April 8-12  
 May 6-10 en español  
 June 10-14  
 July 8-12  
 September 16-20  
 November 18-22  
 December 16-20

#### Live Virtual Online Level 2

March 11-15  
 June 24-28  
 July 29 - Aug 2 en español  
 December 9-13

#### Niveau 1 - Les Applications de la thermographie

18-22 mars — Montréal, Qc  
 3-7 juin — Ville de Québec  
 25-29 novembre — Montréal, Qc

#### Niveau 2 - Applications avancées de la thermographie

2-6 décembre — Montréal, Qc

#### Nivel 1 - Aplicaciones Termográficas

4-7 marzo — San Jose, Costa Rica  
 14-17 mayo — Santiago, Chile  
 25-28 junio — San Salvador, El Salvador  
 16-19 julio — Santiago, Chile  
 26-29 agosto — Lima, Peru  
 10-13 septiembre — Monterrey, México  
 24-27 septiembre — Ciudad de Guatemala  
 30 sept — 4 oct — San Pedro Sula, Honduras  
 28-31 octubre — Buenos Aires, Argentina  
 19-22 noviembre — Santiago, Chile  
 3-6 diciembre — San Salvador, El Salvador

All Courses available on-site by request

\*Pre-requisite: Level I IR Training or Level I or Electrical Inspections

\*\*Pre-requisite: Level I & II IR Training •Sponsored Course

## In Person / Live Virtual Online / Online On-Demand

*english - en français - en español*

### Reliability Training

#### Practical Plant Failure Analysis

February 11-13, 2025 — Marietta, GA

### Electric Motor Testing

#### EMT — Energized & De-Energized

March 11-15 — Tampa, FL •

May 13-17 — Tampa, FL •

September 9-13 — Tampa, FL •

October 14-18 — Knoxville, TN •

November 11-15 — Tampa, FL •

### NDT Training (US)

#### Level I - Thermography for Aerospace NDT

April 22-26 — Detroit (Madison Heights), MI

#### Level II - Thermography for Aerospace NDT

October 14-18 — Detroit (Madison Heights), MI

### Online Courses On-Demand

#### Infrared Training Topic Courses (See More)

\$1,195

Infrared for Building Inspections

Infrared for Electrical Inspections

Infrared for Mechanical Inspections

Infrared for Roof Inspections

Level 1 - Thermographic Applications — \$1,895

Level 2 - Advanced Infrared Thermography — \$1,995

Refresher Courses available for \$895! (See More)

#### Electric Motor Testing (See More)

1-EMTTS Electrical Theory Basics - \$550

2-EMTTS Electric Motor Fundamentals - \$525

3-EMTTS Electric Motor Operational Theory - \$250

4-EMTTS De-Energized Electric Motor Testing - \$700

5-EMTTS Energized EMT & Power Quality - \$225

6-EMTTS Energized EMT & Spectral Analysis - \$400

7-EMTTS Energized & De-Energized (All - \$1995)

### Pricing *USD per person unless noted*

### Infrared Training

#### Level 1 - Thermographic Applications

\$1,995 In-person, \$1,895 Live Virtual

#### International

Toronto, ON — 2,881.50\$CAD/pp

Montréal en français— 2,677.50\$CAD/pp

Calgary, AB— 2,677.50\$CAD/pp

Peru — Solicite más información

Costa Rica — Solicite más información

#### Level 2 - Advanced Infrared Thermography\*

\$2,095 In-person, \$1,995 Live Virtual

#### International

Montréal, en français— 2,808.75\$CAD/pp

#### Level 3 - Best Practices\*\*

\$2,095

### Reliability Training

#### Practical Plant Failure Analysis (PPFA)

24 PDH Credits - \$2,495

#### Machinery Monitoring & Diagnosis (MMAD)

24 PDH Credits - \$2,495

### Electric Motor Testing

#### Energized & De-Energized

\$2,095

### NDT Training (US)

#### Level I - Thermography for Aerospace NDT

\$2,095

#### Level II - Thermography for Aerospace NDT

\$2,195

\*Pre-requisite: Level I IR Training or Level I or Electrical Inspections

\*\*Pre-requisite: Level I & II IR Training -Sponsored Course
